TASTING NOTES

Prominent strawberries and cream bring out hints of Madagascar vanilla bean. Faintly floral notes of rose petal, honeycomb, Saturn peach and tangelo are portrayed on the palate. The gentle acidity with luxurious body gives a long, drawn out finish of graham cracker pie crust.

VINTAGE NOTES

- The growing season started was slightly warmer than usual, with soil reinvigorated by a barrage of rain during the month of March
- Near the onset of veraison, an intense heat wave contributed to ample fruit hang-time as photosynthesis slowed, followed by waning temperatures and gentle ripening
- A drizzle of rain in October abated the fear of having a compact harvest and effected a clean break between early and late-maturing varieties
